**LINAK[®] INFORMATION about
EU Directive 2018/852, 2004/12/EC and 94/62/EC on packaging and packaging waste**

To LINAK customers

Based on the answers from our packaging suppliers, we hereby declare that our basic packaging method is cardboard boxes on disposable pallets, heat treated according to IPPC standard ISPM No. 15, comply with the Packaging and packaging waste directives

Directive 94/62/EC has applied since 31 December 1994 and had to become law in the EU countries by 30 June 1996.

Amending Directive (EU) 2018/852 has applied since 4 July 2018 and had to become law in the EU countries by 5 July 2020.

The European directive 94/62/EC Packaging and Packaging Waste is implemented in Denmark by DS/EN13428 Emballage – Krav til fremstilling og sammensætning – Emballagereminimering. All LINAK components comply with this regulation during shipping and transport.
